Forecast For East of England
Issued by Met Office Exeter
at 0400 on Wednesday 24 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, rather windy and very mild.

Today:
Fine and dry on Wednesday with some sunny periods, particularly during the afternoon. A breezy day for most, particularly near to coasts, but it will be very mild overall. Maximum temperature 17 deg C (63 deg F).

Tonight:
Remaining dry this evening and winds easing for most parts. Turning cloudier after midnight with some light, patchy rain by morning in a few places. Staying mild. Minimum temperature 7 deg C (45 deg F).

Thursday:
A mostly cloudy morning, with some early outbreaks of light rain or drizzle. Bright or sunny spells reaching western parts during the afternoon. Feeling cooler, though still mild. Maximum temperature 13 deg C (55 deg F).

Outlook for Friday to Sunday:
Dry with plenty of fine, sunny weather on Friday and over the weekend. A few morning mist or fog patches with some rural overnight frosts. Otherwise it will be mild.
